MARCH FACTS

week as February, excepting leap years,
week as February, excepting leap years,
and as November every year.
There is an adage that March "comes in like a lion, but goes out like a lamb", referring to the weather that some regions experience during the month. This saying is meant to demonstrate the unpredictable weather which often occurs as the seasons change.

Art Week
National Agriculture Week

MARCH HOLIDAYS

Ash Wednesday, Check calendar for date. The seventh Wednesday before Easter and the first day of Lent, which lasts 40 days. Having its origin sometime before A.D. 1000, it is a day of public penance and is marked in the Roman Catholic Church by the burning of the palms blessed on the previous year's Palm Sunday. With the ashes from the palms the priest then marks a cross with his thumb upon the forehead of each worshipper. The Anglican Church and a few Protestant groups in the United States also observe the day, but generally without the use of ashes.

March 17, St. Patrick's Day St. Patrick, patron saint of Ireland, has been honored in America since the first days of the nation. Perhaps the most notable part of the observance is the annual St. Patrick's Day parade in New York City.

Purim (Feast of Lots), Check calendar for date. A day of joy and feasting celebrating the deliverance of the Jews from a massacre planned by the Persian minister Haman. According to the Book of Esther, the Jewish queen Esther interceded with her husband, King Ahasuerus, to spare the life of her uncle, Mordecai, and Haman was hanged on the same gallows he had built for Mordecai. The holiday is marked by the reading of the Book of Esther (the
reading of the Book of Esther (the Megillah), by the exchange of gifts, and by donations to the poor.

CENTER NEWS

Introducing the all new Clothing Store at the Scott County Senior Citizens Center
