

Blue Grass Community Action Partnership, Inc. dba BGCAP Transit is a non-profit public transportation provider that offers transit services in the areas of Anderson, Boyle, Casey, Franklin, Garrard, Jessamine, Lincoln, Mercer, Scott, Washington and Woodford Counties.

BGCAP Transit applies for, and receives, Federal Transit Administration (FTA) operating and capital grant funding through the Kentucky Transportation Cabinet (KYTC) for the provision of these services annually.

In anticipation of FTA grant applications submitted to the KYTC in CY 2020 for FY 2021 funding, BGCAP Transit will be holding four public meetings on the following days, times, and locations.

Tuesday, January 21, 2020 at 5:00 PM The Capitol City Activity Center 202 Medical Heights Drive Frankfort, KY 40601	Wednesday, January 22, 2020 at 3:30 PM Jessamine County Senior Citizens Center 111 Hoover Drive Nicholasville, KY 40356
Wednesday, January 22, 2020 at 10:30 AM Scott County Public Library 104 South Bradford Lane Georgetown, KY 40324	Thursday, January 23, 2020 at 3:30 PM The Boyle County Public Library 307 W. Broadway Danville, KY 40422

The public meetings are being held with the intent to discuss and work with the public on:

1. BGCAP Transit projects to be applied for under the FTA grant programs for FY2021.
2. Determining how BGCAP Transit can better accommodate public transit riders within our local cities served, to include Danville, Frankfort, Georgetown, Lexington and Nicholasville, through our DanTran, GTran, NichTran, and JessLex routes.
3. Receiving feedback and input from both the public and our stakeholders on how BGCAP Transit can better coordinate service with other public, private, and non-profit transportation and human service providers in our 11 county service area.

The meeting in Frankfort will be held in conjunction with the City of Frankfort - Frankfort Transit as a means to coordinate resources and services in anticipation of applications to FTA for separate but coordinated service projects. This meeting will serve as our "coordinated meeting" requirement based on FTA and KYTC requirements.

We welcome your attendance and input at our upcoming meetings. If unable to attend, please email or mail comments or suggestions on how transportation providers in our area may better coordinate or provide improved services. Email correspondence may be sent to [taylor.veatch@bgcap.org](mailto:taylor.veatch@bgcap.org). Written correspondence may be sent to:
