If the designated representative is not the head of household or spouse, the representative must have a signed statement giving authorization to apply for the household. Individuals without a designated representative should contact the local community action agency which may be able to assist them in finding one. Only one person from each household should apply.

APPLICATION PROCESS: Applications for both components will be taken at local community action agency offices or designated sites in each county, listed on the back of this fact sheet. **Applicants must bring the following:**

- Proof of all household's (all members) income from the preceding month.

In addition, in the Crisis component, applicants requesting assistance for natural gas or electric must bring a disconnect/past due notice (example: past due notice, termination notice, or final notice). Households at or above 75% of poverty level must pay a portion or co-payment of the minimum necessary to alleviate the crisis. Applicants whose rent includes heat must bring an eviction notice from the landlord.

BENEFITS PROVIDED: **Subsidy:** The benefit amount that a household receives will be based on its level of poverty and the type of fuel used for heating. Benefits will be in the form of vouchers made payable to the household's primary heating fuel vendor.

Crisis: Benefits are limited to the amount necessary to relieve the crisis with the maximum amount not to exceed the community action agency's local cost for a deliverable supply of the household's primary heating fuel or \$400 for gas or electric.
